MINISTÈRE DE LA JUSTICE

Décret n° 2004-1157 du 29 octobre 2004 pris en application des articles 276-4 et 280 du code civil et fixant les modalités de substitution d'un capital à une rente allouée au titre de la prestation compensatoire

NOR: JUSC0420831D

Le Premier ministre,

Sur le rapport du garde des sceaux, ministre de la justice,

Vu le code civil, notamment les articles 276-4 et 280 ;

Vu la loi n° 2004-439 du 26 mai 2004 relative au divorce, notamment les articles 32 et 33 ;

Le Conseil d'Etat (section de l'intérieur) entendu,

Décète :

Art. 1^{er}. – Lors de la substitution totale ou partielle, en application des articles 276-4 et 280 du code civil, d'un capital à une rente fixée par le juge ou par convention à titre de prestation compensatoire, le capital alloué au crédientier est égal à un montant équivalant à la valeur actuelle probable de l'ensemble des arrérages de la rente, à la date, selon le cas, de la décision du juge opérant cette substitution ou du décès du débiteur.

La valeur mentionnée au premier alinéa résulte d'un taux de capitalisation de 4 % et des probabilités de décès du crédientier, selon son âge et son sexe, établies par les tables de mortalité INSEE 98-2000.

Les tables de conversion annexées au présent décret (annexe I pour les rentes viagères, annexe II pour les rentes temporaires) fixent le montant du capital équivalant à 1 € de rente annuelle.

Art. 2. – Le présent décret est applicable en Nouvelle-Calédonie, en Polynésie française, à Wallis-et-Futuna et à Mayotte.

Art. 3. – Le garde des sceaux, ministre de la justice, est chargé de l'exécution du présent décret, qui sera publié au *Journal officiel* de la République française.

Fait à Paris, le 29 octobre 2004.

JEAN-PIERRE RAFFARIN

Par le Premier ministre :

Le garde des sceaux, ministre de la justice,
